Home water filtration: one tap or the whole property?

Purifier option	What to review	Before installation
6 stage RO purifier	The supplied filters, membrane, storage and replacement cartridge specifications.	Confirm the outlet, cabinet clearance, feed connection and drainage arrangement.
7 stage purifier with UV	The quoted UV configuration, power supply, lamp care and RO filter requirements.	Allow access to the filters, storage and UV components for future service.
8 stage purifier	The actual additional stages and their stated purpose, alongside membrane and storage details.	Check the complete installation footprint and the replacement parts for that configuration.

Installation and maintenance support

Plan maintenance using the selected manufacturer's guidance, your water conditions and household use. For existing equipment, our RO filter replacement guide explains the model and cartridge details needed for a compatibility check. Ask separately about the scope of a maintenance contract.

Water that is easier to trust

Aqua Best supplies domestic water purification systems that give families cleaner, better-tasting water for daily use. Our range covers multi-stage RO purifiers, under-sink filters, UV purification and whole-house filtration.

Each system is picked around your water quality, daily consumption, installation space and household needs. Whether you want purified water for drinking and cooking or better filtration through the whole house, we will help you choose. We serve homes, villas and apartments across Dubai and the UAE.

Installation and handover checklist

• Share your location, water use, incoming-water information and the required flow or daily output.

• Send installation-space photos and confirm the proposed model's water, power and drainage requirements.

• Ask the quotation to list the purifier, any tank and accessories, fitting work, consumables and handover instructions.

Common product questions

Can I get a quotation first?

Yes. Aqua Best uses quotation-only pricing. Share your household use, Dubai or UAE location and installation photos. The proposal should identify the purifier, tank, fittings, installation work and any optional items.

Do you install purifiers in Dubai?

Yes. We provide installation and maintenance for domestic purification and filtration systems in Dubai and other UAE locations.

Quotation, installation & after-sales support

Pricing	Quotation only. The written proposal identifies the equipment and included work.
AMC / servicing	Ask for an equipment-specific maintenance scope, consumables, exclusions and visit arrangements.
Warranty	Request the written warranty for the selected model, with coverage, exclusions and claim procedure.

Before requesting a quotation

Send your UAE location, intended use, water information, required flow or daily output, and photos of the installation space. For replacement parts, include the existing model and component labels.

Published ratings describe the listed equipment or configuration. Actual performance depends on feed water and operating conditions. Confirm the exact model, current specifications and manufacturer documentation in the quotation.

ANNUAL MAINTENANCE CONTRACT

AMC coverage and terms

AQUA BEST WATER TREATMENT EQUIPMENT TRADING LLC

The AMC applies only to the water treatment system and service location identified in the customer's quotation or contract. It is valid for 12 months from the agreed start date. The number and timing of service visits, included consumables, and contract price are as stated in the quotation.

Domestic RO options

Four scheduled visits per year for the listed 6, 7 and 8-stage RO plans. Each visit includes replacement of the PP sediment, GAC, and CTO cartridges, where fitted.

6-stage RO: No additional replacement specified.

7-stage RO with UV: 1 UV lamp replacement during the 12-month contract.

8-stage RO: 1 alkaline cartridge replacement and 1 UV lamp replacement during the 12-month contract.

Other cartridges, membranes, pumps, UV components, and parts are excluded unless listed in the quotation.

Scheduled service

During a scheduled visit, Aqua Best will inspect the covered system, check for visible leaks and operating issues, and replace only the consumables specified in the contract. Service scope depends on the system model, installed configuration, and access to the equipment.

Terms and conditions

1. The AMC covers only the visits, consumables, and work expressly stated in the quotation or signed contract.

2. Additional cartridges, media, resin, membranes, UV lamps, electrical parts, pumps, repairs, and modifications are charged separately unless specifically included.

3. Aqua Best will explain any additional recommended work and obtain the customer's approval before carrying out chargeable work.

4. The customer must provide safe access to the equipment and ensure that the required water and electrical supplies are available during the visit.

5. Service visits are arranged by appointment. If access is unavailable at the agreed time, the visit must be rescheduled subject to appointment availability.

6. The AMC does not cover damage caused by misuse, unauthorised repair, abnormal water conditions, power fluctuations, external leaks, or other causes outside the listed service scope.

7. The AMC price, payment schedule, and VAT treatment are as stated in the quotation.

8. The AMC applies to the equipment and service address recorded in the contract. Changes to the equipment or location may require a revised quotation.

9. Any warranty on replaced parts is subject to the applicable manufacturer or supplier warranty.

10. Renewal, cancellation, emergency callouts, and response times are governed by the terms stated in the quotation or signed contract.

Pricing is quotation only. Product warranty terms are confirmed separately.
