Coffee, espresso and tea / Combination systems / Drinking water / Fountain beverage / Frozen carbonated beverages / Ice / Laundry / Steam / Warewashing / Water softening

Everpure filtration for food and beverage

Keep clean, safe, great-tasting water flowing with Pentair Everpure cartridges and systems. They are designed to help reduce chlorine, sediment, odours and other impurities, for residential and commercial use.

Everpure systems are widely used in foodservice, from coffee machines to ice makers. Tell us about your water and equipment, and Aqua Best will help you understand your water conditions and choose the right product and service for your business.

Everpure systems for homes and businesses

Suited to family kitchens and apartments for everyday drinking water.

Made for busy cafés, restaurants and offices, and rated by the brand for up to 15,000 gallons.

Installation and handover checklist

• Share the existing housing, cartridge or component model and clear label photographs.

• Confirm dimensions, connections, operating duty and compatibility before selecting replacements.

• Ask the quotation to identify each supplied part, any installation work and the future replacement requirements.

Common product questions

How much does Pentair Everpure cost in Dubai?

It depends on the cartridge or system, capacity, installation needs and maintenance requirements. Message us on WhatsApp for a quote.

Do you install and maintain Everpure systems?

Yes. We provide installation, periodic maintenance and AMC plans in Dubai, Sharjah, Abu Dhabi and across the UAE, and our technicians carry spare parts.

Quotation, installation & after-sales support

Pricing	Quotation only. The written proposal identifies the equipment and included work.
AMC / servicing	Ask for an equipment-specific maintenance scope, consumables, exclusions and visit arrangements.
Warranty	Request the written warranty for the selected model, with coverage, exclusions and claim procedure.

Before requesting a quotation

Send your UAE location, intended use, water information, required flow or daily output, and photos of the installation space. For replacement parts, include the existing model and component labels.

Published ratings describe the listed equipment or configuration. Actual performance depends on feed water and operating conditions. Confirm the exact model, current specifications and manufacturer documentation in the quotation.

ANNUAL MAINTENANCE CONTRACT

AMC coverage and terms

AQUA BEST WATER TREATMENT EQUIPMENT TRADING LLC

The AMC applies only to the water treatment system and service location identified in the customer's quotation or contract. It is valid for 12 months from the agreed start date. The number and timing of service visits, included consumables, and contract price are as stated in the quotation.

Equipment-specific maintenance

For softeners, media filters, UV units, chillers, commercial RO plants, and industrial systems, the visit frequency and included replacements must be listed separately in the site-specific quotation.

Scheduled service

During a scheduled visit, Aqua Best will inspect the covered system, check for visible leaks and operating issues, and replace only the consumables specified in the contract. Service scope depends on the system model, installed configuration, and access to the equipment.

Terms and conditions

1. The AMC covers only the visits, consumables, and work expressly stated in the quotation or signed contract.

2. Additional cartridges, media, resin, membranes, UV lamps, electrical parts, pumps, repairs, and modifications are charged separately unless specifically included.

3. Aqua Best will explain any additional recommended work and obtain the customer's approval before carrying out chargeable work.

4. The customer must provide safe access to the equipment and ensure that the required water and electrical supplies are available during the visit.

5. Service visits are arranged by appointment. If access is unavailable at the agreed time, the visit must be rescheduled subject to appointment availability.

6. The AMC does not cover damage caused by misuse, unauthorised repair, abnormal water conditions, power fluctuations, external leaks, or other causes outside the listed service scope.

7. The AMC price, payment schedule, and VAT treatment are as stated in the quotation.

8. The AMC applies to the equipment and service address recorded in the contract. Changes to the equipment or location may require a revised quotation.

9. Any warranty on replaced parts is subject to the applicable manufacturer or supplier warranty.

10. Renewal, cancellation, emergency callouts, and response times are governed by the terms stated in the quotation or signed contract.

Pricing is quotation only. Product warranty terms are confirmed separately.
